

## FEDERAL & LOCAL GIVING CAMPAIGNS

As a federal or local government employee (DC and Virginia), you can support FRESHFARM's mission to promote sustainable agriculture and improve food access and equity in the Mid-Atlantic through workplace giving.

**Every donation you make will have an impact in nourishing our community.**

With your gift, you can help keep farmers markets open that support local businesses, deliver healthy produce to vulnerable seniors and families, and provide joyful food education for thousands of children.

### Make a difference close to home:

- \$10 can help one low-income resident buy healthy food at the market
- \$20 can feed one low-income family of four with fresh fruits and vegetables
- \$50 can support one virtual class that helps families cook healthy meals together
- \$100 can provide gloves, masks, and other supplies to keep markets open and safe
- \$250 can deliver 10 bags of healthy, local produce to feed families most in need

You can choose to give through payroll deductions and spread out your 100% tax-deductible donation over the course of the 2021 calendar year. If you itemize deductions on your taxes, this is also a simple way to track your donations.
