CDC Masks Guidelines for Farmers Markets

- Require staff, volunteers, and vendors to use [masks](#). Masks are an important means of reducing viral spread and are essential during times when social distancing is difficult. Provide information to all staff and volunteers on [proper use and washing of masks](#).
- If feasible, provide masks for staff, volunteers, and vendors and consider asking them to bring extra masks, in case their mask gets wet or soiled, as well as a sealable plastic bag or other container to store masks when not in use.
- Encourage customers to bring and use [masks](#). If feasible, provide masks for those who may not have one.
